CURRICULUM VITAE

General Information

Name	Laurence Katznelson, MD
Office Address	Stanford Medical Center 875 Blake Wilbur Dr MC5826 Stanford CA 94305-5821
Phone	(650) 721-1020
E-mail	Lkatznelson@stanford.edu
Fax	(650) 736-8100
Place of Birth	San Francisco CA

Education

1981	BA	University of California, Berkeley (Genetics Major, cum laude)
1985	MD	University of California, Los Angeles

Postdoctoral Training

Internships and Residencies

1985-1986	Intern in Medicine, Hospital of the University of Pennsylvania, Philadelphia, PA
1986-1988	Resident in Medicine, Hospital of the University of Pennsylvania, Philadelphia, PA

Clinical Fellowship

1989-1990	Clinical & Research Fellow in Medicine (Endocrinology), Massachusetts General Hospital, Boston MA

Research Fellowship

1990-1992	Research Fellow in Medicine (Neuroendocrine Unit), Massachusetts General Hospital, Harvard Medical School, Boston MA

Licensure

1988-2004	Board of Registration in Medicine Commonwealth of Massachusetts (#70462)
1988	Diplomate, American Board of Internal Medicine (#121005)
1992	Diplomate, Endocrinology & Metabolism (#121005)
2001	Diplomate, Endocrinology, Diabetes & Metabolism (#121005)
2004	The Medical Board of California (#G87279)

Academic Appointments

1992-1997	Instructor in Medicine, Harvard Medical School, Boston MA
1997-2004	Assistant Professor of Medicine, Harvard Medical School, Boston MA
2005-	Associate Professor of Neurosurgery and Medicine, Stanford University School of Medicine, Stanford CA
2005-	Program Director, Endocrinology and Metabolism Fellowship Training Program, Stanford University School of Medicine, Stanford CA

Hospital Appointments

1988-1989	Attending Physician, Emergency Services, Temple University Hospital, Philadelphia PA
1989-1992	Clinical and Research Fellow in Medicine, Massachusetts General Hospital, Boston MA
1992-1995	Clinical Assistant in Medicine, Massachusetts General Hospital, Boston MA
1995-1998	Assistant in Medicine, Massachusetts General Hospital, Boston MA
1998-2004	Assistant Physician in Medicine, Massachusetts General Hospital, Boston MA
1998-2004	Associate Physician to the Affiliate Staff, Brigham and Women's Hospital, Boston MA
2004-2005	Clinical Associate Professor of Neurosurgery, Stanford Hospital and Clinics, Stanford CA
2004-present	Medical Director, Pituitary Center, Stanford Hospital and Clinics, Stanford CA
2005-present	Associate Professor of Neurosurgery and Medicine, Stanford University Medical Center, Stanford CA

Other Professional Appointments

1998-2004	Visiting Scientist, Massachusetts Institute of Technology

Committee Memberships

1984-1985	Department of Medicine Education Committee, UCLA School of Medicine, Los Angeles CA
1996-2004	Member, Scientific Advisory Committee, General Clinical Research Center, Massachusetts General Hospital, Boston MA
1997-present	Chairman, Membership Committee, The Pituitary Society
2000-2004	Ad Hoc Member, Geriatrics and Rehabilitation Medicine Study Section, Center for Scientific Review, National Institutes of Health, Bethesda MD
2002-2004	Director, Research Subject Advocacy Program, General Clinical Research Centers at Massachusetts General Hospital and MIT, Boston MA
2003-2005	Member, Clinical Initiatives Committee, Pituitary Society
2004-present	Member, Scientific Advisory Committee, General Clinical Research Center, Stanford University School of Medicine, Stanford CA

2005-2006	Member, Administrative and Fiscal Oversight Subcommittee, GCRC Advisory Committee, Stanford School of Medicine, Stanford CA
2005-	Member, Medicine Internship Admissions Committee, Stanford University School of Medicine, Stanford CA
2006-	Interviewer, Medical School Admissions, Stanford University School of Medicine, Stanford CA
2007-	Member, Special Programs Committee, Endocrine Society
2007-2008	Member, Clinical Affairs Committee, Endocrine Society
2007-2008	Member, Acromegaly Task Force, Hormone Foundation, Endocrine Society
2008-	Chair, Special Programs Committee, Endocrine Society
2008-	Member, Scientific and Educational Programs Core Committee, Endocrine Society
2008-	Member, Educational Publications Task Force, Endocrine Society

Editorial Board:

2004-2008	Editorial Board, *Journal of Clinical Endocrinology and Metabolism*
2004-present	Editorial Board, *The Pituitary*

Ad hoc reviewer:

Clinical Endocrinology, European Journal of Endocrinology, Endocrine Related Cancer, Cancer Research, Journal of Clinical Endocrinology and Metabolism

Memberships in Professional Societies

1993-1996	American Federation for Clinical Research
1994-present	American Association of Clinical Endocrinologists
1996-present	Endocrine Society

Awards and Honors

1981	Phi Beta Kappa
1981	Honors Thesis in Genetics. The effect of anaerobic shock on the disassociation and reassociation of polysomes in maize seedlings.
1996	Silver Medal, Outstanding Clinical Research Award, General Clinical Research Center Meeting, Arlington VA
2001	Recipient, Partners in Clinical Excellence Award, Massachusetts General Hospital, Boston MA
2006	Endocrinology Division Teaching Award, Department of Medicine, Stanford University School of Medicine, Stanford CA
2007-present	San Jose's Top Docs, San Jose Magazine, San Jose CA

2007-present	"America's Top Physicians", Guide to America's Top Physicians, Consumer's Research Council of America, Washington DC
2007	Endocrine Society award for recognition of outstanding achievement by a reviewer, *Journal of Clinical Endocrinology and Metabolism*
2007-present	"Marquis Who's who in America"
2008	Best Doctors in America
2008	Excellence in Teaching Award, Stanford University School of Medicine, Stanford CA

Data and Safety Monitoring Boards

2005-2006	National Institutes of Health for study by Snyder PJ
2005-2008	Psychiatry protocols on the General Clinical Research Center, Stanford University Medical Center

Report of Teaching

A1. Local Contributions at Massachusetts General Hospital, Harvard Medical School, Boston MA

1994-2004	Attending Physician, Endocrine Elective, HMS Massachusetts General Hospital
1989-2004	Neuroendocrine Unit Conference Series Lecturer
1990-2004	General Clinical Research Center Series Lecturer
1993-1996	Neuroendocrine Unit Conference Series Organizer and Lecturer
1992	Endocrine Division Research Conference, Massachusetts General Hospital "Glycoprotein Hormone Secreting Pituitary Adenomas"
1992	Reproductive Endocrine Unit Seminar Series, Massachusetts General Hospital "Glycoprotein Hormone Secreting Pituitary Adenomas"
1993	Neurosurgery Grand Rounds, Massachusetts General Hospital "Medical Management of Pituitary Tumors"
1993	Pediatric Endocrine Grand Rounds, Massachusetts General Hospital "Hyperprolactinemia"
1994	Longwood Area Endocrinology Lecture Series, Beth Israel Hospital, Boston MA "Glycoprotein Hormone Secreting Pituitary Adenomas"
1995	Longwood Area Endocrinology Lecture Series, Beth Israel Hospital, Boston MA "Approaches to Hyperprolactinemia"
1995	Neurosurgery Grand Rounds, Massachusetts General Hospital "Review of Pituitary Disease"
1996	Neurosurgery Grand Rounds, Massachusetts General Hospital "Acromegaly"

1997	Neurosurgery Grand Rounds, Massachusetts General Hospital "Acromegaly"
1997	Neuroendocrine Unit Conference, Massachusetts General Hospital "Pituitary Cases"
1998	Neuroendocrine Unit Conference, Massachusetts General Hospital "Pituitary Cases"
2000	Neurosurgery Grand Rounds, Massachusetts General Hospital "Update in Acromegaly"
2000	Bulfinch Medical Group, Massachusetts General Hospital "Male Testosterone Deficiency"
2000	Medical Grand Rounds, Massachusetts General Hospital "Acromegaly"

Continuing Medical Education Courses

1994-1999	Harvard Medical School Postgraduate Review Course for Endocrinology and Metabolism, Boston MA Lecture: "Glycoprotein Hormone Secreting Pituitary Adenomas"
1994	Harvard Medical School Postgraduate Review Course for Primary Care of Women, Boston MA Lecture: "Prolactin and Prolactinomas"
1998-1999	Postgraduate Review Course for Internal Medicine, Harvard Medical School, Boston MA Lecture: "Advances in Pituitary Disease"
2000-2004	Harvard Medical School Postgraduate Review Course for Endocrinology and Metabolism, Boston MA Lecture: "Acromegaly"
2003-2004	Postgraduate Review Course for Internal Medicine, Harvard Medical School, Boston, MA Lecture: "Advances in Pituitary Disease"

Clinical Supervisory Responsibilities

1993-1999	Teaching Attending, Bigelow Medical Service, Massachusetts General Hospital
1994-2004	Teaching Attending, Endocrinology Consult Service, Massachusetts General Hospital
1994-2004	Preceptor, Neuroendocrine Clinical Center, Massachusetts General Hospital

Teaching Leadership Roles

1995	Chairperson, "Pituitary Awareness Day", Educational Forum for Patients with Pituitary Disease Organized Program, Massachusetts General Hospital, Boston MA
1995	Chairperson, "Update in Neuroendocrinology," Postgraduate Review for Physicians Harvard Club, Boston MA

2003 Chairperson, “Pituitary Awareness Day”, Educational Forum for Patients with Pituitary Disease Organized Program, Massachusetts General Hospital, Boston MA

A2. Local Contributions at Stanford Medical School, Stanford CA

2005 “The Pituitary in Oncology”, Stanford Cancer Center Education Series Stanford University Medical Center, Stanford CA

2005 “Testosterone deficiency in Men”, “Update in Neuroendocrine Disorders”, Stanford Clinical Update in Adult Medicine, San Louis Obispo CA

2005 “Issues in neuroendocrine management: growth hormone and Cushing’s syndrome”, Neurosurgery Grand Rounds, Stanford University, Stanford CA

2005 “Growth Hormone: Too little, too much”, Medicine Grand Rounds, Stanford University, Stanford CA

2007 “Cushing’s Disease: An Integrated Approach”. Medicine Grand Rounds, Stanford University, Stanford CA

2007 “A neuroendocrine primer”. Medical Resident Lecture Series, Stanford University, Stanford, CA

2008 “Neuroendocrine Review”. Medical Resident Lecture Series, Stanford University, Stanford, CA

2008 “Curiouser and Curiouser: a case of Cushing’s syndrome associated with a neuroendocrine tumor”. Medicine Grand Rounds, Stanford University, Stanford CA

2009 “A neuroendocrine primer”. Medical Resident Lecture Series, Stanford University, Stanford, CA

2009 “Neuroendocrine approach to pituitary disorders”, Neurosurgery Grand Rounds, Stanford University, Stanford CA

2009 “Neuroendocrine consequences of brain injury”. Neurology Grand Rounds, Stanford University, Stanford CA

Continuing Medical Education Courses

2005 “Testosterone Replacement Therapy in Men”, The 2nd Annual Clinical Update in Adult Medicine, Stanford University Medical Center, Stanford CA

2005 “Testosterone Replacement Therapy in Men”, CME Course, The 3rd Annual Clinical Update in Adult Medicine, Stanford University Medical Center, Stanford CA

2006 “Hypopituitarism: Diagnosis and Therapy in Patients with CNS Disorders”, CME Course Innovations in Gyn Oncology, Neuro Oncology, and Thoracic Oncology, Stanford Cancer Center, Stanford CA

2006 “Complications of Hormonal Ablative Therapy in Prostate Cancer Patients”, CME Course, 34th Annual Symposium on Diseases of the Urinary Tract, Crowne Plaza Cabana Hotel, Palo Alto CA

2008	"Topics in Pituitary Disease", Primary Care Medicine Monthly CME Conference, Stanford, CA

Clinical Supervisory Responsibilities

2004-present	Teaching Attending, Endocrinology Consult Service, Stanford University Hospital
2004-present	Preceptor, Pituitary Center, Stanford University Medical Center
2006-present	Teaching Attending, General Medical Service, Stanford University Medical Center

Education contribution at Stanford University School of Medicine

2007-present	Preceptor, Med 313 Ambulatory Medicine training, Stanford University School of Medicine
2007-present	Mentor, Stanford Immersion in Medicine program, "Shadowing" program for Stanford University undergraduate students, Stanford, CA
2008	Endocrine module, Case based adrenal disorders in "Human Health and Disease medical school course, Interdepartmental 222, Stanford University School of Medicine

Regional and National Invited Presentations

1994	Nurse Practitioner Association for Continuing Education "Signs and Symptoms of Pituitary Adenoma: Differential Diagnosis, Management, Implication for Child Bearing", Danvers MA
1994	Endocrine Society Speaker, Oral session "Increase in Trabecular Bone Density and Altered Body Composition in Androgen Replaced in Hypogonadal Men", Anaheim CA
1995	Endocrinology Inter-City Grand Rounds "Update on Acromegaly", University of Connecticut Health Center, Farmington CT
1996	Medical Grand Rounds "Male Hypogonadism", Bethesda Naval Hospital, Bethesda MD
1996	Medical Grand Rounds "Male Hypogonadism", UC San Francisco—Mt. Zion Hospital, San Francisco CA
1996	Endocrine Society Speaker, Oral session "Effect of Androgen Replacement Therapy on Body Composition in Men with Acquired Hypogonadism", San Francisco CA
1996	Endocrine Grand Rounds "Male Hypogonadism", Rhode Island Hospital, Providence RI
1996	Rhode Island Endocrine Society Speaker, Oral session "Update in Acromegaly", Providence RI

1996	Medical Grand Rounds “Update in Acromegaly”, St. Vincent’s Hospital, Worcester MA
1997	Medical Grand Rounds “Update in Acromegaly”, St. Elizabeth’s Hospital, Boston MA
1997	Endocrine Society Speaker “Alterations in Body Composition in Men with Acquired Hypogonadism”, Minneapolis MN
1997	Endocrinology Research Conference “Male Hypogonadism”, Cedars Sinai Hospital, Los Angeles CA
1998	Endocrine Grand Rounds “Effects of Testosterone on Bone and Body Composition in Men”, Baylor School of Medicine, Houston TX
1998	Endocrine Society Symposium, Invited Speaker “Testosterone and Body Composition”, New Orleans LA
1998	Medical Grand Rounds “Update in Pituitary Disease”, Evergreen Medical Center, Seattle WA
1998	Portland Endocrine Society “Progress in Acromegaly”, Portland OR
1998	Endocrine Clinical Conference “Update in Acromegaly”, VA Medical Center, Seattle WA
1998	Endocrine Grand Rounds “Progress in Acromegaly”, New England Medical Center, Boston MA
1998	Endocrine Grand Rounds “Update on Acromegaly”, New England Medical Center, Boston MA
1998	Medical Grand Rounds “Endocrinologic Approach to Pituitary Tumors” Cambridge Hospital, Cambridge MA
1999	Medical Grand Rounds “Male Hypogonadism”, Berkshire Medical Center, Pittsfield MA
1999	Medical Grand Rounds “Male Hypogonadism”, St. Francis Hospital, Hartford CT
1999	Endocrine Society Symposium, Invited Speaker “Acromegaly: Why and How to Treat”, San Diego CA
2000	Endocrine Grand Rounds “Update in Acromegaly”, University of Massachusetts Medical Center, Worcester MA
2000	Endocrine Society Symposium, Invited Speaker “Challenging Pituitary Cases: A Case-Based Approach”, Toronto Canada
2000	Endocrine Society Ancillary Symposium, Invited Speaker “Medical and Subcellular Therapies for Pituitary Tumors”, Toronto Canada
2001	Medical Grand Rounds “Approach to Male Testosterone Deficiency”, Salem Hospital, Salem MA
2001	Endocrine Grand Rounds “Update in Acromegaly”, Yale Medical Center, New Haven CT
2001	American Association of Clinical Endocrinologists Symposium, Invited Speaker “The Diagnosis and Treatment of Acromegaly”, San Antonio TX
2003	Neuroendocrine Clinical Conference "Update in Acromegaly", Cleveland Clinic Medical Center, Cleveland OH

2003	American Association of Clinical Endocrinologists Symposium, Invited Speaker “Introduction of New Growth Hormone Receptor Antagonists”, San Diego CA
2003	Endocrine/Metabolism Rounds “Update in Acromegaly”, Dartmouth Medical Center, Hanover NH
2003	Infectious Disease/HIV Grand Rounds “Male Hypogonadism: Diagnosis and Treatment in Men Living with HIV”, Boston University Medical Center, Boston MA
2003	Infectious Disease Seminar “Managing complications in HIV: Role of testosterone”, Boston University Medical Center, Boston MA
2003	Invited Speaker, 85th Annual Meeting of The Endocrine Society, Philadelphia PA, Meet-the-Professor Sessions, “Acromegaly”
2003	4th Acromegaly Consensus Conference “Side effects of acromegaly therapies”, Seville Spain
2004	Endocrine Grand Rounds “Insights into Acromegaly”, Stanford Medical Center, Palo Alto CA
2004	Endocrine Grand Rounds “Applications of Testosterone in Men”, Boston University Medical Center, Boston MA
2004	Symposium, GH and Growth Factors in Endocrinology and Metabolism “Glycoprotein hormone secreting pituitary adenomas”, Geneva Switzerland
2004	Symposium, National Cooperative Growth Study “Update in Acromegaly”, Phoenix AZ
2005	Neurosciences Grand Rounds “Growth Hormone: Too little, Too much”, Santa Clara Valley Medical Center, San Jose CA
2005	HCA Bay Area Healthcare Network CME Rounds “Pituitary tumors: surgical vs. non-surgical management”, Good Samaritan Hospital, San Jose CA
2005	Pituitary Update Conference “Acromegaly”, Cleveland Clinic Foundation, Orlando FL
2005	Medical Grand Rounds “The spectrum of growth hormone disorders: growth hormone deficiency to acromegaly”, Mills-Peninsula Hospital, Burlingame CA
2005	Pituitary Day Continuing Medical Education Course “Hypopituitarism: Diagnosis and Therapy”, “Acromegaly: Diagnosis and Therapy”, Oregon Health and Sciences University, Portland OR
2005	Pituitary Rounds, Endocrine Society “Growth Hormone Deficiency”, Los Angeles CA
2005	Pituitary Rounds, Endocrine Society “Hyperprolactinemia”, Los Angeles CA
2005	Medical Grand Rounds “The spectrum of growth hormone disorders: growth hormone deficiency to acromegaly”, Dominican Hospital, Santa Cruz CA
2005	Medical Group Rounds “Testosterone deficiency in men”, Bay Valley Medical Group, Hayward CA
2005	CME Rounds “Testosterone deficiency in men”, Sierra Vista Regional Medical Center, San Louis Obispo CA

2005	Medical Group Rounds “Testosterone deficiency in men”, Watsonville Community Hospital, Watsonville CA
2005	Medical Grand Rounds “Update on Pituitary Disorders”, Kaiser Hospital: Santa Teresa, San Jose CA
2005	Medical Group Rounds “Testosterone deficiency in men”, Salinas Valley Memorial Healthcare System, Salinas CA
2005	Medical Grand Rounds “Growth Hormone: too little, too much”, Washington Hospital, Fremont CA
2006	Contemporary issues in Pituitary Disease: Update “Acromegaly: Case Discussion”, Cleveland Clinic, Cleveland OH
2006	5th Consensus Group Meeting on “Guidelines for treatment of GH excess and GH deficiency in the adult”, “Acromegaly drug combination: strategy and results”, Pituitary Society, Santa Monica CA
2006	Luncheon Rounds The Roadmap of Testosterone Therapy Sansum Medical Clinic, Santa Barbara CA
2006	Endocrine Society Speaker, Symposium “Consequences of Prostate Cancer Treatment”, “Consequences of Androgen Deprivation Therapy in Prostate Cancer”, Boston MA
2006	Clinical Endocrinology Update, Endocrine Society, Pituitary Section Lecturer: Meet the Professor: “Approach to a Sellar Mass”, San Francisco CA
2007	Endocrine Grand Rounds “Update in Acromegaly: A Growing Discipline”, University of California, San Francisco, San Francisco CA
2007	UCLA Pituitary Tumor and Neuroendocrine Program: 3rd California Pituitary Conference “Acromegaly: Can Medical Therapy Replace Surgery as Primary Therapy?” UCLA, Los Angeles CA
2007	Internal Medicine Grand Rounds “Update on Pituitary Disorders”, San Joaquin General Hospital, French Camp CA
2007	Medicine Grand Rounds “Update on Pituitary and Adrenal Disorders”, Sequoia Hospital, Redwood City CA
2007	Endocrine Society Speaker, CMES Symposium “Beyond Surgery: The Role of Medical Therapy in Acromegaly”, “Place of Medical Therapy in the Acromegaly Treatment Algorithm: Case Based Scenarios”, Toronto Canada
2008	Endocrinology Grand Rounds “Acromegaly: a Growing Field”, University of Utah School of Medicine, Salt Lake City UT
2008	Neurosciences Nursing Symposium, Stanford University “Syndrome of Inappropriate Antidiuiretic Hormone/Salt Wasting Syndrome”, Palo Alto, CA
2008	UCLA Pituitary Tumor and Neuroendocrine Program: 3rd California Pituitary Conference “Acromegaly: Can Medical Therapy Replace Surgery as Primary Therapy?” UCLA, Los Angeles CA
2008	Seattle Pituitary Symposium, Swedish Hospital, “Complete management of the acromegalic patient; considerations beyond treating the pituitary tumor and GH excess:, Seattle, WA
2008	Endocrine Society, Meet the Professor Session, “Acromegaly”, San Francisco, CA

2008	Oregon Health Sciences University: Ashland Endocrine Conference, "Acromegaly", Ashland, OR
2008	Clinical Investigators Workshop for Trainees Program: "How to write a grant", Endocrine Society, Boston MA
2009	Endocrinology Grand Rounds "Hypopituitarism: novel aspects", UC San Diego, San Diego CA
2009	Continuing Medical Education Rounds "Hormones and Aging", Regional Medical Center, San Jose CA

B. PROFESSIONAL AND EDUCATIONAL LEADERSHIP ROLES

1997	Endocrine Society Co-chairperson Session on "Growth Hormone and Fat", Minneapolis MN
1999	Pituitary Congress Chairperson Session on "Acromegaly", Long Beach CA
1996	Chairperson, "Controversies in Management of Acromegaly Symposium", American Academy of Clinical Endocrinology Annual Meeting, Seattle WA
1998	Chairperson, "Current Strategies in the Management of Acromegaly and Carcinoid Syndrome," American Academy of Clinical Endocrinology Annual Meeting, Orlando FL
2004	Endocrine Society Symposium Chairperson Session on "Broadening the Perspective of Testosterone Therapy in Men—A Critical Look at Expanding Therapeutic Applications", New Orleans LA
2006	Clinical Endocrinology Update Chairperson, Endocrine Society, Pituitary Section, San Francisco CA
2007	Chairperson, Endocrine Society, Clinical Investigators Workshop for Trainees Program, San Francisco CA. *This is a national 3-day forum to introduce endocrinology postdoctoral fellows to clinical research*
2008	Chairperson, Endocrine Society, Clinical Investigators Workshop for Trainees Program, Boston MA. *This is a national 3-day forum to introduce endocrinology postdoctoral fellows to clinical research*
2008-present	Chair, Special Programs Committee, Endocrine Society
2008-present	Chair, Acromegaly Consensus Guidelines Task Force, American Association of Clinical Endocrinology
2009	Member, Task force on Approach to an Incidental Sellar Mass, Endocrine Society
2009	Chairperson, Endocrine Society, Clinical Investigators Workshop for Trainees Program, Atlanta G. *This is a national 3-day forum to introduce endocrinology postdoctoral fellows to clinical research*

Advising Responsibilities

1994	Undergraduate Advisor, Biology 91r (Supervised Reading), Harvard University, Boston MA

Patient Support/Education

1995	Chairperson, “Pituitary Awareness Day”, Educational Forum for Patients with Pituitary Disease Organized Program, Massachusetts General Hospital, Boston MA
2003	Chairperson, “Pituitary Awareness Day”, Educational Forum for Patients with Pituitary Disease Organized Program, Massachusetts General Hospital, Boston MA
2005	Chairperson, “Acromegaly Awareness Day”, Educational Forum for Patients with Pituitary Disease Organized Program, Stanford Medical Center CA
2005	Pituitary Update Conference for Patients “Acromegaly”, Cleveland Clinic Foundation, Orlando FL
2008	Director and Speaker, “Pituitary Patient Education Day”, Stanford Pituitary Center, Stanford CA
2009	Director and Speaker, “Pituitary Patient Education Day”, Stanford Pituitary Center, Stanford CA

Educational Program Materials

1993	Clinically Non-Functioning Pituitary Adenomas: Characterization and Diagnosis, Neuroendocrine Clinical Center Newsletter, Fall 1993, Volume 1, Issue 1
1994	Medical Management of Acromegaly with Octreotide, Neuroendocrine Clinical Center Newsletter, Fall/Winter 1994, Volume 2, Issue 1
1997	Acromegaly: Complications and Therapeutic Update, Neuroendocrine Clinical Center Newsletter, Winter 1997, Volume 4, Issue 1
1998	Testosterone Therapy in Men, Neuroendocrine Clinical Center Newsletter, Spring 1998, Volume 4, Issue 2
1999	Acromegaly: Complications and Therapeutic Update, Neuroendocrine Clinical Center Newsletter, Fall 1999, Volume 5, Issue 1
2000	Testosterone Therapy in Men: An Update, Neuroendocrine Clinical Center Newsletter, Fall/Winter 2000, Volume 6, Issue 2
2005	Web-based education materials on ”Acromegaly”, “Cushing’s disease”, “Growth Hormone Deficiency”, and “Prolactinoma”, http://med.stanford.edu/neurosurgery/patient_care/pituitary.html . Stanford Pituitary Center website, Stanford University, Stanford CA
2006	Adult Growth Hormone Deficiency Case Studies, CD, Genentech
2009	Introduction to the Pituitary Gland, Acromegaly, Cushing’s disease, Growth Hormone Deficiency, Prolactinoma, Surgery and Radiation approaches to Pituitary Disorders. Web-based video lectures, http://med.stanford.edu/neurosurgery/patient_care/pv1.html . Stanford

Pituitary Center website, Stanford University School of Medicine , Stanford CA
